## MEMBERSHIP FORM 2010

The Luxton Station Market Society is comprised of residents of Southern Vancouver Island who support the principles stated in the Society's constitution.

The Luxton Station Market Society was established:

- To manage and operate a sustainable, self-supporting community market in the West Shore region.
- To support and promote a sustainable and vibrant local agricultural industry by providing an outlet for the sale of locally-grown and locally-processed agricultural products, and by educating the community about its agricultural heritage and agriculture today.
- To support and encourage the arts by providing an outlet for the sale of artisan crafts and other fine art products, and opportunities for local musicians and other entertainers to perform.
- To create a positive experience for people who come to market, and to provide opportunities for local non-profit groups to tell their community story, thereby contributing to a sense of community in the West Shore area.

The 2010 annual membership fee is \$20.00.

Membership includes Society voting privileges. All members and supporters are encouraged to actively participate in the operation of the Market.

All vendors at the Goldstream Station Market are required to be members of the Luxton Station Market Society.
